

High Pressure Washers

Part Number

ART58, ART70

ART58

ART70

HYDROPRESS HIGH PRESSURE WASHERS are made in Italy with advanced technology, are safe and easy to use! Besides pressure washing and degreasing these machines can also be used for descaling, paint stripping, hydro sandblasting and sanitising thus making HYDROPRESS pressure washers versatile.

FEATURES

ART58 Three ceramic coated pistons brass pump head.

ART70 Three treated steel pistons, die-cast light alloy pump head.

- Maximum inlet water temperature 50°.
- Built in by pass (with pressure regulator on mod. MR).
- 2 poles induction motor (2800 RPM) with thermal protection.
- **ART58** Total stop on demand.

STANDARD ACCESSORIES

- ART58 6m High pressure hose.
- ART70 4m High pressure hose.
- Lance with automatic gun.
- Adjustable nozzle (0°/30°).
- 0.8 Litre detergent tank.

SPECIFICATIONS	ART70	ART58
Maximum Pressure	1450psi	2030psi
Water Temperature	cold	cold
Water Volume	375 L/hour	450 L/hour
Power	1300 Watts	2100 Watts
Size	36cm x 12cm x 28cm	44cm x 26cm x 31cm
Weight	9Kg	16Kg

High Pressure Washers

Part Number

ART10, ART11

ART10/11

HYDROPRESS HIGH PRESSURE WASHERS are made in Italy with advanced technology, are safe and easy to use! Besides pressure washing and degreasing these machines can also be used for descaling, paint stripping, hydro sandblasting and sanitising thus making HYDROPRESS pressure washers versatile.

FEATURES

ART10 Three treated steel pistons, die-cast light alloy pump head.

ART11 Three ceramic coated pistons, brass pump head.

- Both have built in by-pass with pressure regulator.
- Total stop on demand.
- 2 poles induction motor (2800 RPM) with thermal protection.
- Venture direct detergent suction with built in tank.

STANDARD ACCESSORIES

- 8 Metre high pressure hose.
- Lance with automatic gun.
- Adjustable nozzle (0°/30°).

SPECIFICATIONS	ART10	ART11
Maximum Pressure	1740	2030psi
Water Temperature	30° - 100°C	30° - 100°C
Water Volume	300L - 480 L/hour	300L - 480 L/hour
Power	2000 Watts	2500 Watts
Size	78cm x 46cm x 83cm	78cm x 46cm x 83cm
Weight	62Kg	64Kg
