

**LIFTECH Hydraulic Workbench Press with Gauge**

Part Number

**832**

**FEATURES**

- Bench mounted
- Adjustable bed
- Pressure Gauge
- Removable 10 Tonne Ram
- Removable hand operated hydraulic Pump

<b>SPECIFICATIONS</b>	<b>832</b>
Working Load Limit	10,000kg
Height	713mm
Width	596mm
Ram Stroke	153mm
Working Space	146mm x 922mm
Net Weight	62kg

# RITCH™ Hydraulic Press

Part Number  
**RWP12M, RWP20**

## FEATURES

- Widest bed gap in its class
- Powered by top quality inverted bottle jack
- Fitted with sliding head assembly
- Has knurled release knob
- Pump action across press
- Supplied with bed blocks
- Screw down extension on ram
- Easy adjustable bed
- Pump action is a pull down stroke
- Powder coated for durability
- Fabricated in Australia

SPECIFICATIONS	RWP12M	RWP20
Working Load Limit	12,000kg	20,000kg
Height	1,630mm	1,750mm
Bed Width and Gap	508mm 200mm	610mm 200mm
Base Size	650mm x 500mm	750mm x 500mm
Net Weight	118kg	140kg

## CUSTOM MADE PRESSES ALSO AVAILABLE

Part Number RWP50 (Working Load Limit 50,000kg) and Part Number RWP100 (Working Load Limit 100,000kg)

- Presses 50,000kg to 200,000kg can be made to your specifications
- Precision fabricated
- Fully welded construction
- Winch adjustable bed
- Choice of hydraulics ie:  
Ram | Single or Double acting | Length of stroke  
Pump | Manual/Air | Electric Hydraulic | Size & Speed
- Fabricated in Australia

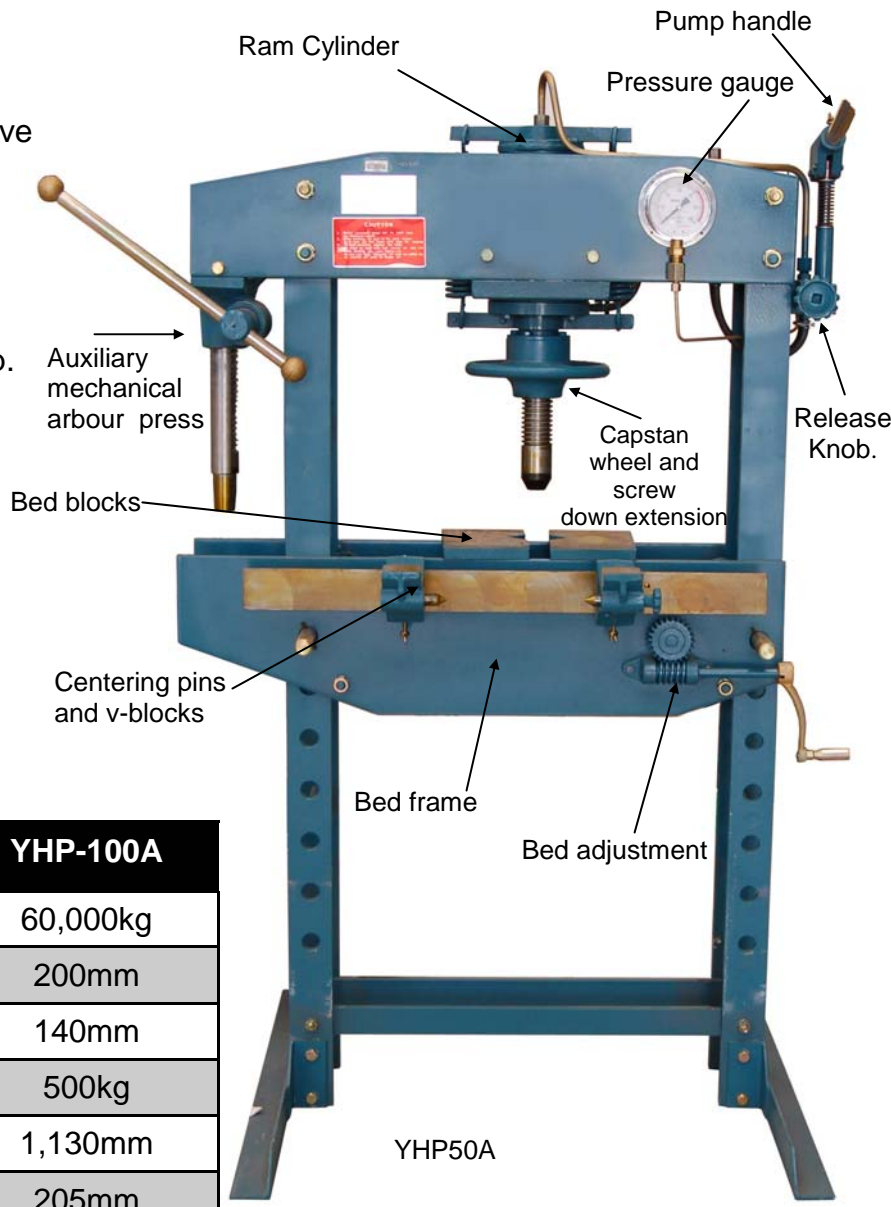

# HYDRAULIC PRESS

Part Number  
**YHP50A,  
YHP100A**

## FEATURES

- Rugged construction
- Compact hydraulic ram
- Table height adjustable by worm drive and wire cable.
- Hand operated hydraulic system
- Single acting ram with spring return
- Fast approach to work surface by use of double acting hydraulic pump.
- Auxiliary press.
- Made in Japan.

SPECIFICATIONS	YHP-50A	YHP-100A
Working Load Limit	35,000Kg	60,000kg
Ram travel	140mm	200mm
Aux. screw travel	170mm	140mm
Aux. press capacity	400kg	500kg
Bed width	675mm	1,130mm
Bed gap	205mm	205mm
Work - table travel	720mm	750mm
Overall height	1800mm	1980mm
Work area	900mm x 955mm	1,100mm x 1,480mm
